

Lifetouch Canada Inc.

Thank you for choosing Lifetouch!

We understand that sometimes *life happens* and it's not always possible to book a grad portrait or retake session at your school. That's ok!

For this reason, we offer in-studio appointments at your convenience.

If you would like to take advantage of one of these appointments, please go to
<https://booknow.appointment-plus.com/1dqlkmce/>

Please note, these appointments are for **Grade 12 Graduation Sessions and retakes** only. Be sure to select "**Lifetouch Grads Studio**," in the drop-down menu of schools.

If none of the available dates work for you right now, check back again later. New dates are added on a rolling basis.

We will provide the appropriate regalia for your school. Session fees are due at the camera on the date of your appointment. Please arrive 5 minutes before your allotted time to check in.

If you require assistance to book or if you have any questions, you are welcome to reach out by phone to (780) 437 - 2431, opt 2 or by email to jacqueline.smith@lifetouch.com
