42ND ANNUAL

BASKETBALL CLASSIC

St. Joseph Catholic High School

February 5 - 7, 2026

**REFLECTIONS OF FATHER MICHAEL TROY
OCTOBER 1, 1917—MARCH 19, 2010**

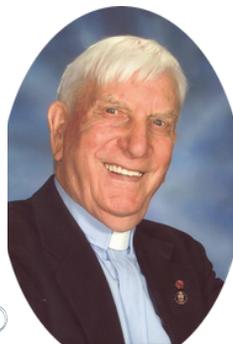

Father Michael Troy. A Spiritan Priest for more than 60 years. A teacher and a chaplain, here at St. Joseph High School, for more than 50 years, had passed away on March 19, 2010.

The namesake of our basketball tournament believed in living your faith through the art of sport. Father Troy, of course, played a huge role in all of the 27 tournaments he was a part of. In this, the 42nd annual basketball classic, he will be sadly missed.

His legacy will live on in future tournaments and his words will continue to ring throughout the hallways, here at his beloved St. Joseph High School.

“The best is never over. The best is yet to be.”

- Father Michael Troy, CSSp

The Father Michael Troy Basketball Classic is a tradition that has lived and grown at St. Joseph for over four decades, and it exists because of people who care deeply about this school, our students, and our faith.

To the staff of St. Joseph Catholic High School—those who supported this tournament in its early years, those who continue to carry it today, and those who will one day take it forward—thank you.

This tournament happens because staff give their time generously, step in where help is needed, and do so with humility and a shared sense of purpose. From early mornings to late evenings, from preparation to clean-up, your efforts create an environment where student-athletes can compete, grow, and represent our school with pride.

We are especially grateful to the many staff members who helped build this tradition long before us, setting the tone for what the Father Michael Troy Tournament has become, and their spirit continues to shape it today. We also thank the current staff who honour that legacy each year, ensuring the tournament reflects the values Father Troy believed in so strongly—faith, respect, service, and sportsmanship.

This tournament remains one of the oldest and most meaningful basketball tournaments in Canada because it has always been about more than wins and losses. It is about the legacy of an amazing man, community, and faith lived through action, demonstrating people showing up for one another.

**Thank you for all that you do, often without recognition, and always in service of something greater than yourselves.
Once a Saint, Always a Saint.**

A MESSAGE FROM OUR PRINCIPAL

We welcome all the players, coaches, parents, guardians, and spectators participating in the 42nd anniversary of the Father Michael Troy Basketball Classic. This is a milestone tournament, with a long and positive legacy.

Father Michael Troy, our tournament's namesake, was a teacher, coach, and role model for all those who knew him. He was incredibly passionate about athletics and the positive impact sports have had on the lives of student athletes. As demonstrated throughout Father Michael Troy's life, we hope that this tournament serves as an opportunity for all involved to grow both in spirit and sportsmanship.

Please enjoy the sense of spirit that Father Michael Troy imbued in every facet of Saint Joseph High School. Good luck this weekend and enjoy the excellent display of High School Basketball.

NO GLORY WITHOUT EFFORT!

AN ATHLETE'S PRAYER

I thank you, O Lord, for giving me a body which is specially fit and strong, and for allowing me to use it well.

In my training: Help me never to shirk the discipline which I know is necessary and beneficial for me.

When I compete with others: Help me, win or lose, to compete fairly. When I am fortunate enough to be the victor, keep me from boasting, or gloating; when I lose, or finish something less than 1st. prevent me from sulking or making poor excuses....to myself, my teammates and coaches.

Above all else, do not allow me to become conceited with this gift of strength and expertise which is in my body; but rather aid me to express my thankfulness for this gift in all areas of my life.

Give me Lord the wisdom to understand that my talent as an athlete is something which can and will fade with the passage of time....and then motivate me to cherish these days and years as a distinct blessing from you.

I ask Your blessing in my life, as one who passes through time toward You.

Amen

A COACH'S PRAYER

Heavenly Father, be with our young athletes as they test their physical skills.

Let them play well, but fairly.
Let competition make them strong, but never hostile.

Grant them the strength to best their opponent, and lead them to always help the opponent up.
Grant them moments to rejoice, but not in the adversity of others.

Help them stay safe from injury, both physical and emotional.

Help them to learn something that matters once the game is over.

Help them remember that sports are just games.

If they know victory, allow them to be happy.
If they are denied, keep them from envy.
If through athletics, they set an example, let it be a good one.

In the name of Your Son, Jesus.

Amen.

ATHLETES CREDO

God, Our Father, Creator and Referee of the greatest game of all, the Game of Life. I enjoy all kinds of sports where athletes of equal skill and determination are pitted against one another, be it on a football field, a hockey rink, a basketball court or a down hill ski slope even a little game of shinny!

I know that sports is one of your greatest gifts to us human beings and I thank You that in a world of frequent strife and violence, people at play is always a world at peace.

Help me and my peers to use our years in sports intelligently. Help me and them to see that along with the passing excitement of the present contest, its ecstasy of winning or losing, its joy or pain today can be a treasured memory for a life time.

Help me to see this higher value of sport for sport's sake (not for money) is the fullest development of our God given natural gifts of mind and body skills through discipline, mastery and practice.

Whether I participate in sports today as a player, coach, referee, fan or organizer or even only watch a game on T.V. help me use sports not as an escape from reality and the real world but as a great means to a higher, more meaningful life style, the fullest development of my total self in the greatest game of all, the Game of Life, where the supreme award and prize is always the glory of God in men and women fully alive.

So let's never worry too much about the wins or losses, but let the good times roll for the best is never over but the best is yet to be.

Amen
Father Michael Troy CSSp

THE HISTORY OF THE FATHER MICHAEL TROY ANNUAL BASKETBALL CLASSIC

This tournament which began in 1984, is named for a friend, teacher, coach, and padre of innumerable SAINTS. He came to St. Joseph High School in 1969.

Born in Ireland and reborn a Canadian in 1958, he came to Toronto to found the Neil McNeil High School. Father Troy held degrees, including a Ph.D., from three universities (Dublin, Fribourg and Toronto).

Always interested in sports, Father Troy held an impressive record at St. Joseph as Senior Soccer Coach, having missed only two city finals in the 14 years that he coached.

Father Troy, 6’1” and a National High School High Jump Champion, proved useful around the hoop in his basketball days. He also played in the National Football League (Ireland) and the European University Soccer Conference. In Canada, he founded the Neil McNeil Maroons Junior A Hockey Club (Toronto) and Knights of Columbus Soccer Club (Edmonton).

Father Michael Troy considered the association of his name with this tournament one of the greatest honors in his lifetime of sport.
